Our Services

At Signature Weddings & Events, we offer a range of tailored services to make your wedding decor dreams come true:

Personal Consultations

Come visit our showroom for a personal consultation with our wedding decor staff. We'll discuss your vision, preferences, and the details that matter most to you.

Custom Decor Design

Our signature collections can be customised — if you'd like to add a specific colour or detail, we'll do our best to tailor them to your vision.

Floral Arrangements

We use high-quality artificial flowers, carefully styled to look just as beautiful as the real thing. Each collection is designed to add elegance to your special day, with the added benefit of being long-lasting and fuss-free.

Table Settings & Linens

We provide a variety of table settings, linens, and centrepieces to make your reception visually stunning.

Setup & Breakdown

Our team will handle the setup and breakdown of all decor to ensure a stress free experience for you.

Our Collections

At Signature Weddings & Events, our collections are inspired by the timeless beauty and symbolism of gemstones. Just as every gemstone carries a unique story, so too does every couple — and we wanted our décor ranges to reflect that individuality.
